

GEORGIA SOCCER

Dear Goal Club Members,

It's hard to believe that we are entering our fifth year at the University of Georgia, time has flown by. We are very excited about this upcoming year for a number of reasons and having a 12 game home schedule is just one of them. The senior class has helped changed the complexion of our program forever and is looking for a third straight NCAA Tournament appearance. Back-to-back SEC Tournament Championship appearances have made the players hungry for Georgia's first ever SEC regular season and tournament titles. Please take a moment to support these great student-athletes as they embark on what should be another memorable season. **GO DAWGS!**
